

Quantum Connection (QC) Form for Remote Services

To make an energetic connection to you, we rely on a physical link, so please follow these instructions carefully. Write your information in black ink only. If you are filling this out on behalf of someone who cannot write or sign for themselves, you are welcome to complete the information for them, then help them hold the pen or marker and make a few marks on the page. For an animal, or for someone unable to make any marks at all, you may instead send an original photograph (not a photocopy) or a DNA sample, as described below.

The signature must be original and made by hand. We are unable to accept a digital signature or a copy of a signature, so this page will need to be mailed back to us rather than emailed or faxed.

Please include your phone number and email address so we can reach you after we receive this form.
